PRODUCT DESCRIPTION

Travel with us to Guernsey for the day. After being picked up, you will travel to Poole to depart Poole harbour at 08:30 am and travel aboard Condor Ferries, Liberation. You will arrive in Guernsey at St Peter Port at 11:30 am.

Guernsey is a British crown dependency and the sunny (well, relatively speaking!) island of Guernsey boasts mild winters and warm summer months. Guernsey has plenty to see and do on the mainland, explore Neolithic sites, stoic Castle Cornet, and ancient burial sites like Le Creux es Faies, a tomb that was once believed to be the gateway to a magical fairyland

Upon arrival at St. Peter Port you will have approximately 4 hours to discover Guernsey where you can experience the relaxed way of life where time appears to go slower. Explore the small bays like Petit Bot that only reveals itself at low tide. You can soak up the laid back atmosphere, enjoy a drink and people watch, and try the local delicacies in one of the islands outstanding restaurants. You could hire a bicycle or a car and explore the Island, it's only 12 miles long and 9 miles wide at the widest point.

We depart Guernsey at 15:40 pm returning to Poole at 18:40 pm where you will rejoin your coach for your journey home
