The "Making of Harry Potter" offer visitors the ultimate opportunity to step on to authentic sets, discover the magic behind spellbinding special effects and explore the "behind the scenes" secrets of the Harry Potter film series. Walk down the original stone floor of the iconic Hogwarts Great Hall, encounter animatronic creatures and wander down Diagon Alley. Platform 9 $\frac{3}{4}$ has been painstakingly reassembled so every inch of the glass roof, yellow brick walls and luggage racks will be exactly like they were in the films.
