## PRODUCT DESCRIPTION

We head from our pickup points throughout the Blackmore Vale directly to Kew Gardens where you will be free to explore these stunning gardens.

Discover one of the UK's most iconic attractions with a visit to Kew Gardens and Kew Palace. As the former summer home of King George III, Kew Palace is a magnificent royal residence to behold. Step back in time to explore the 17<sup>th</sup> century elegance of Kew Palace where King George and his wife Queen Charlotte and their 15 children used to spend their summers. Go behind the scenes of royal life and discover hundreds of years of fascinating history. Explore the Royal Kitchens for an insight into the Georgian's cookery skills and see the Ice House where food was once stored for the king.

Enjoy the sunshine with a stroll around the World Heritage Royal Botanic Gardens and explore the most diverse collection of living plants in the world. Take a look outside and inside the glasshouses and see a range of exotic and native plants, with beautiful collections throughout the garden to see. This experience is ideal for those interested in history, families and nature lovers alike. You can also explore the Davies Alpine House which allows you to venture into high altitude territory and experience the cool, windy and dry conditions that allow alpine plants to thrive. If you prefer heat travel from the deserts to the tropics in the Prince of Wales Conservatory. If you prefer the outdoors then make sure you take a trip through the Arboretum which has 14,000 trees and enjoy the views from the Lake.
