TRIP ITINERARY

Spend New Year's Eve at The Torbay Hotel in the heart of Torquay. Torquay is one of the UK's top destinations since Victorian times. Torquay sits on the English Riviera, where it enjoys a lush climate, sandy beaches, and a vibrant atmosphere. It is the ultimate seaside resort town known for its phenomenal beaches and bustling harbour near the town centre. You can also venture to the historic Torre Abbey, where you can experience art galleries and extensive gardens.

Torquay is ideally placed for you to visit some of Torbay's best attractions with something for all ages, while the town itself is always buzzing in the holiday season with shows, cabaret, musicals, and concerts at any one of the five local theatres.

Day 1: Depart the Blackmore Vale area for a comfort and lunch stop en route to the hotel, where we hope to arrive in the late afternoon. On arrival, you will be greeted and enjoy a welcome glass of Bucks fizz before getting settled in your room and then enjoy a 3-course dinner, after which there will be entertainment.

Day 2: New Year's Eve – After breakfast, we will head out on a leisurely drive around the local scenery and places of interest. Following this, we head back to the hotel to get dressed up and ready for the evening. There will be a drinks reception before a delicious 5-course dinner. After this, take to the Dance Floor to help see in 2024 with a bang!

Day 3: New Year's Day – Today, there is a full English breakfast or a leisurely brunch on offer between 10.00 am and 12.00 pm and then after this, you have the day to spend at your own pace and doing as much or as little as you like. In the evening, we will be served a three-course dinner, followed by entertainment

Day 4: After breakfast, we depart the hotel and head back to the Blackmore Vale area, having lunch and a comfort stop en route. We hope to arrive back in the Blackmore Vale area early evening.

Included:

- Three nights dinner, bed and breakfast at The Torbay Hotel, Torquay
- Complimentary drinks throughout your journey when feasible
